Regarding Your Barclays Ring® Mastercard®

Dear David C May,

Congratulations, we are pleased to let you know your credit line has been increased. The new credit line on your Barclays Ring® Mastercard® is $31,000.00.

Now, you can do even more with your extended line of credit. Book a weekend getaway, buy those last-minute concert tickets, or try out a new restaurant in town.

Your credit increase has already been applied to your account, so no action is needed. We hope you continue enjoying all the benefits your card has to offer.

Thank you for being a loyal cardmember. If you have any questions, visit us online at BarclaysUS.com or call 1-866-928-8598 anytime.

Sincerely,

Barclays

If you prefer to return your account to its original credit line, please contact us at the number shown above.
